

## We've got the fasteners you use and the tools to install them

In addition to a full line of precision sheet metal fasteners, we supply self-clinching hardware insertion machines, CD stud welders, rivet nut tools and world class riveting equipment brought to you by some of the best fastener and tool manufacturers in the world. ***JHP Fasteners carries the best tools that cater specifically to you your needs. The precision fabricator and manufacturer have driven our focus for over 45 years and the tooling we offer reflects that dedication.***

## How can we solve your tooling needs?

- **Responsiveness** - Our responsiveness is nearly unmatched as we focus on your ever changing needs.
- **Improvise, Adapt & Overcome** - If we don't have a solution, we'll figure it out. We've strategically partnered with some of the best tool manufacturers in the world and we leverage that collective brain power for your benefit.
- **Above & Beyond** - We've chased down UPS trucks for overnight shipments and provided tooling solutions to restore downed production lines the same day. We've got your back.
- **Varied Solutions** - JHP Fasteners has tools for almost every budget and application. From manual tools to automatic rivet tools and even battery operated tools with process monitoring capabilities, we've got you covered.
- **Price** - We strive to bring our customers the best possible value without sacrificing quality. Why save a dime now when it will cost a dollar down the road?

Complete CD Stud & Arc Stud Welding Systems

## All roads lead to JHP Fasteners

After serving precision fabricators and manufacturers for over 45 years, we'd like to think that we understand the daily demands that are put on your shoulders by customers. Eleventh hour engineering changes, dramatically accelerated due dates, rapid prototyping, insufficient component descriptions; the list goes on. While specializing in fasteners that get attached to sheet metal and the tools that install them, we strive to offer the best solutions, service and price to help meet your rapidly changing needs and *relieve your stress*. If any of the fasteners or tools you see here have a use in your shop, we would love to have the opportunity to win your business and become an extension of your organization.

**JHP Fasteners is a stocking distributor of
